However, any funeral arrangements you select will include a charge for our basic services and overhead. **THE BASIC SERVICES OF FUNERAL DIRECTOR, STAFF AND OVERHEAD ARE NON-DECLINABLE**. DISCLOSURE

In most areas of the country, no state or local law makes you buy a container to surround the casket in the grave. However, many cemeteries ask that you have such a container so the grave will not sink in. Either a burial vault or grave liner will satisfy these requirements.

Our funeral home makes no representation or warranties about the protective value of certain caskets of containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any, extended by the manufactures thereof. No other warranties of merchandising fitness for a particular product are extended by the seller.
